*Kaamna Bhojwani*

SCHOLAR. THOUGHT LEADER.  
PUBLIC SPEAKER.

MEDIA KIT

Kaamna Bhojwani is a sexuality expert with psychology degrees from Columbia University, University of Illinois and Smith College. Kaamna's specific area of focus is sexual shame and how we can use all the tools within our arsenal to combat it: including spirituality and technology.

Kaamna is an active public speaker moderating panels and sharing her insights around the world. Online, she hosts the popular show, KaamnaLive, where she engages a lively and loyal audience on taboo topics around sexuality, relationships and intimacy daily.

Kaamna was born and raised in Mumbai, India, and has lived in the US, UK and Australia. Her work has a distinct and intentional global lens.

*"Nothing in the human  
experience is profane.  
So let's talk about it."*

Client Testimonials

"Kaamna Bhojwani has brightened many events for Noorani Dance as an MC for our performances and gala fundraisers. She brings passion and compassion via an authentic voice while simultaneously offering a unique but relatable perspective. Kaamna's comfort and confidence, combined with her wit and incredible articulation have set the bar high for all others associated with our events."

FARAH YASMEEN SHAIKH, ARTISTIC DIRECTOR,  
NOORANI DANCE.

"Kaamna is a powerful voice in the quest to deliver our sexuality from shame. Armed with scientific data, razor sharp wit, and a way with words, she is both persuasive and disarming at the same time. Kaamna is the Dr. Ruth of our time.

SHARON FRANCIS, COLLABORATOR

## KAAMNA CAN TALK ABOUT:

- Sex, Shame and Spirituality

The core of Kaamna's academic work. What is sexual shame? How does it impact men and women and how can we alleviate it?

- Sex, Relationships and AI

How will AI and other emerging technologies impact how we engage in relationships? What are the opportunities and risks for education, enterprise and entertainment?

- Sex and Masculinity

The study of sexual shame in men is only 10 years old. How are changing gender norms empowering and encumbering men in 2024?

- Cross-Cultural Sexuality

Myth-busting and raising awareness around sexual norms and mindsets around the world. Are we more similar than different in our collective reticence towards sex?

- Sex and Aging

Menopause, MANopause (it's real) and more. How to navigate changing bodies, healthcare stigma and a culture that believes intimacy is for the young.

- Sex and Parenting

Do children spell the death knell for intimacy in a relationship? Only if you let it. Data, experience and a healthy dose call to action to use it or lose it.

- Sex and Sexuality in Film and Media

We see a lot of sex but not a lot of healthy sexuality in mainstream media. Who's creating them, how do we spot them and how to separate reality from fiction on the big screen?

- Sex and South Asian Culture

How do we reconcile South Asia's historical association with sacred sex to its regressive and hypocritical treatment of sex today? And also, Bollywood.

- Sex and Productivity

Can your sex life improve your work life? What does science and data say about how intimacy and productivity?

“If our sexuality is free of anxiety, everything in life may be comfortably creative, but if our sexuality is crude, then the whole of life suffers a parallel lack of refinement.”

-Thomas Moore, *The Soul of Sex*
